## Our Annual General Meeting (AGM) and BBQ Saturday 14th September 11am to 2pm

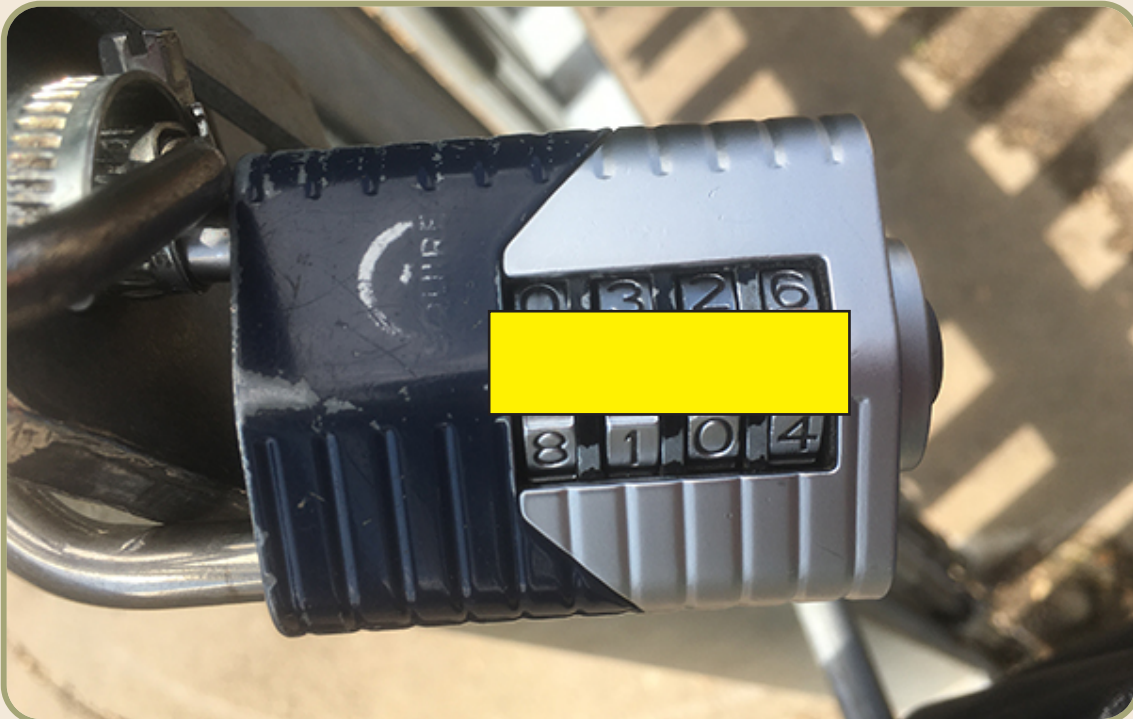

Join your fellow plot holders for our annual AGM!

This year's gathering is a fantastic opportunity to:

- **Hear updates from your Committee:** We'll be sharing reports on the past year's activities and finances.
- **Make your voice heard:** Share your ideas and ask questions during the 'any other business' session.
- **Connect with your community:** Enjoy a BBQ, weather permitting, and share food and stories with fellow plot holders. Some food and refreshments will be provided but please do bring along anything extra you would like to share.

To help us run a smooth and sustainable meeting, please review the attached minutes from our last AGM before attending (printed copies will not be available). If you have questions or topics you'd like addressed please email us at [poverestallotments@gmail.com](mailto:poverestallotments@gmail.com) a week prior so we can come prepared.

We look forward to seeing you there!

## Your Padlocks - New Combination Coming Soon!

We're always working to keep our site as secure as possible for everyone. That's why, throughout the year, we give both our padlock's combination a little refresh!

Mark your calendars! Starting **Saturday, August 31st**, the new combination for both front and back gate padlocks will be:

To help you remember, we'll send a quick reminder email the day before the change. Just a heads-up: For security reasons, we can only provide the combination with your plot number and we will not be giving it out over the phone.

Thanks for helping us keep our site safe and sound!

## Important Update: Plot Maintenance Letters

To ensure clarity and better reflect your Terms and Conditions, we're updating the name of our "weed letters" to **Plot Maintenance Letters**.

These letters will include important reminders to help everyone maintain a thriving and enjoyable community allotment:

- **Maintaining healthy vegetation:** Ensuring all plots have well-managed weeds and grass levels.
- **Cultivating your plot:** Keeping at least 75% of your plot actively cultivated.
- **Keeping communal paths clear:** Collaborating with your neighbouring plot holders to maintain clear and rubbish-free paths around all plots.
- **Responsible waste disposal:** Properly disposing of any rubbish on your plot either at home or at Waldo Road Recycling Depot.

Your Terms and conditions were given to you when you took your plot on, and are always on our noticeboard and website should you ever need to refer to them. We believe this name change will give a clearer understanding of the letters' purpose and contribute to a more beautiful and successful allotment site experience for everyone.

## Apple press anyone?

As the apple season peaks, we are curious if anyone has an apple press that we could use one evening/afternoon to create some Poverest Allotment Apple Juice or maybe even cider!

If you do, please email us at the usual address [poverestallotments@gmail.com](mailto:poverestallotments@gmail.com) so we can arrange something.

As always, please keep your speed down when driving on our site, don't park blocking a road and make sure the padlock numbers are pointing face up when you leave.

Thank you for your continued support.
